3.5 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office by the closing times for the registers (see section 4.1).

3.6 School office staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system and the Attendance Team on Microsoft Teams.
- Transfer calls from parents/carers to the Senior Leadership Team where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9am on the day of the absence, and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the attendance officer, Mrs S Kendrick or the designated Senior Leader Mrs H Taylor, by telephone on 01902 558977 or email at holytrinityprimary.groupemail@wolverhampton.gov.uk

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school doors open at 08:45 for children from Reception to Year 6 for Walk into Learning and the school day ends at 15:25.

Pupils from Reception to Year 6 must arrive in school by 08:55 on each school day.

The register for the first session will be taken at 08:55am and will be kept open until 09:15am. The register for the second session will be taken at 13:00 in Reception and KS1 and 13:30 in KS2. They will be kept open until 13:15 in Reception and KS1 and 13:45 in KS2.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8:55am or as soon as practically possible, by calling the school office staff, who can be contacted via telephone on 01902 558977 or by email: holytrinityprimary.groupemail@wolverhampton.gov.uk

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

- Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. Parents should notify the attendance officer Mrs S Kendrick or the designated Senior Leader Mrs H Taylor, by telephone on 01902 558977 or email at holytrinityprimary.groupemail@wolverhampton.gov.uk

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

Poor punctuality is not acceptable. If a child misses the start of the day, they can miss the beginning of the day's learning, school assembly, a time of celebration and many other important occasions. Late arriving pupils also disrupt lessons. Arriving late can be embarrassing for the child and can encourage absence by creating a feeling of isolation and separation from their class. Good time keeping is a vital life skill, which will help our children as they progress through their school life and out into the wider world.

The school day starts at 8.55am and the school gates open from 8.45am. All children should be present for registration in their classrooms at 8.55am. Registers are marked by 9am and your child will receive a late mark if they are not present. At 9.15am, the registers will be closed. In accordance with the regulations, if your child arrives after that time they will receive a mark that shows them on site, but this will not be a present mark and will be recorded as an authorised absence. If a child has a persistent late record you will be asked to meet with the designated senior leader in charge of attendance to resolve the problem, but you can refer to us at any time if you are having problems getting your child to school on time.

Lateness is monitored daily and should a child experience four late sessions in a month, the following process will be followed:

- Parents/Carers will be contacted and made aware of this.
- If that child continues to be late, a further letter will be sent, including a date and time to meet with the designated senior leader in charge of attendance to discuss this issue.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may carry out a safe and well check by visiting the child's place of residence.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

- Where appropriate, offer support to the pupil and/or their parents to improve attendance by inviting parents to discuss the matter with the pastoral care manager or designated senior leader in charge of attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, not engaged with, or if attendance moves below 90%, refer to the Wolverhampton Attendance and Inclusion Team.

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels. We use the following methods of communication:

- Give parent/carers details on attendance in our newsletter
- Report to parents/carers annually on their child's attendance within the annual pupil report
- Contact parents/carers should their child's attendance fall below the school's target for attendance

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as one off events which are unavoidable. Examples may include the death of a close relative, attendance at a funeral, respite care of a looked after child, a housing crisis which prevents attendance.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted in advance by contacting the attendance officer and completing a leave of absence request form, accessible via the school office. Failure to do so will result in the absence being recorded as unauthorised. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)

- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or Deputy Headteacher), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

Helping to create a pattern of regular attendance is everybody's responsibility –parents, pupils and school staff.

To help us all to focus on this we will:

- Give parent/carers details on attendance in our newsletter
- Report to parents/carers annually on their child's attendance within the annual pupil report
- Contact parents/carers should their child's attendance fall below the school's target for attendance
- Celebrate good attendance with the weekly attendance awards for each class and the prominent attendance display in the school hall
- Endeavouring to ensure that the curriculum offer is engaging, exciting and tailored to specific cohorts and individuals to promote a love of learning and motivation to attend school
- Ensuring that all staff and pupils foster a nurturing and positive environment, meeting the academic, personal and social needs of all children, giving them the motivation to attend school
- Publicise the importance of good attendance to children and parents by displaying posters detailing the impact of good and poor attendance and making the children aware of this and our attendance targets during weekly assemblies.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

For children who face complex barriers to attending school, we will have sensitive conversations with children and families and work with them to put support in place for their individual needs. We will employ the following methods, as appropriate to individual cases:

- Engage in communication to understand the individual needs of the pupil and family
- Work in partnership with the pupil and family to put in-school support in place and working with other the local authority and other agencies where external support is needed (and available)
- Regularly review and update the support approach to make sure it continues to meet individual needs.
- Engage with training such as EBSNA Pathway training to ensure knowledge and understanding of strategies that can be used to encourage and improve school attendance.

7.2 Pupils absent due to mental or physical ill health

In cases of both long term physical or mental ill health, school staff are not expected to diagnose or treat physical or mental health conditions, but we will work together with families and other agencies with the aim of ensuring regular attendance for every pupil. We will:

- Facilitate any relevant pastoral support with the clear aim of improving attendance as much as possible whilst supporting the underlying health issue.
- Consider adjustments to practice and policies to help meet the needs of pupils who are struggling to attend school, as well as making formal reasonable adjustments under section 20 of the Equality Act 2010 where a pupil has a disability. Any adjustments will be agreed by, and regularly reviewed with the pupil and their parents.
- Consider whether a time-limited phased return to school would be appropriate, for example for those affected by anxious feelings about school attendance
- Engage with training such as EBSNA Pathway training to ensure knowledge and understanding of strategies that can be used to encourage and improve school attendance.

7.3 Pupils absent due to SEND

For pupils with special educational needs and disabilities, we will:

- Work in partnership with parents to develop specific support approaches for attendance for pupils with special educational needs and disabilities, including, where applicable, ensuring the provision outlined in the pupil's education, health and care plan is accessed.
- Work in partnership with families to help support routines where school transport is regularly being missed and work with other partners to encourage the scheduling of additional support interventions or medical appointments outside of the main school day.
- Establish strategies for removing the in-school barriers these pupils face, including considering support or reasonable adjustments for uniform, transport, routines, access to support in school and lunchtime arrangements.
- Consider adjustments to practice and policies to help meet the needs of pupils who are struggling to attend school, as well as making formal reasonable adjustments under section 20 of the Equality Act 2010 where a pupil has a disability. Any adjustments will be agreed by, and regularly reviewed with the pupil and their parents.
- Ensure joined up pastoral care is in place where needed and consider whether a time-limited phased return to school would be appropriate.
- Make use of school nursing services and mental health support teams where appropriate and available.
- Consider whether additional support from other external partners (including the local authority, children and young people's mental health services, GPs or other health services) would be appropriate and make referrals.
- Where external support is provided, work together with those services to deliver any subsequent support.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority. We will also:

- Where possible, agree adjustments to policies and practices that are consistent with the special educational provision set out in the education health and care plan in collaboration with parents.
- Where needed, work with the local authority to review and amend the education health and care plan to incorporate the additional or different attendance support identified

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Where pupils return after a lengthy or unavoidable period of absence, we will

- Engage in communication with the family to understand the individual needs of the pupil and family
- Work in partnership with the pupil and family to put in-school support in place and working with other the local authority and other agencies where external support is needed (and available)
- Provide any relevant and helpful pastoral support to build confidence and bridge gaps.
- Assess any academic gaps in attainment and provide relevant educational support in class
- Consider any reasonable adjustments to be made to support the transition process to full attendance
- Regularly review and update the support approach to make sure it continues to meet individual needs.

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

We will

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board and school leaders (including the special educational needs co-ordinator and designated safeguarding lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Headteacher, Mrs H Taylor. At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
